Procedure Packs

Product Superiority

- Boost efficiency with versatile options for every procedure.
- Promote safety with high-tech materials that help protect against infection.
- Include procedural accessories essential to the surgeon.
- Hand-applied premium tape and incise film offer precise coverage to help prevent pooling.
- Wide anesthesia screens accommodate larger patients comfortably.
- Drapes and gowns are not made with natural rubber latex unless indicated in the description.

Procedure Packs

Basic and universal procedures	Extremity procedures
Laparotomy procedures	Arthroscopy procedures
Cardiovascular procedures	Hip procedures
Cystoscopy procedures	General orthopedic procedures
Obstetrics procedures	Shoulder procedures
EENT/ophthalmology procedures	Lithotomy/laparoscopy procedures

We produce procedure packs for above surgical procedures. Procedure packs shown on this brochure are only part of our products. For drapes not displayed or customized drapes, please discuss with our sales representative.

Regulatory

Both design & construction of YADU plants and recruitment of our team are on account of international standards and regulatory requirements. Our operation are strictly based on QMS and GMP practices. We have been granted with certificates of CE, FDA 510k, BSCI, ISO 13485, ISO 9001 and many more.
